

DIBBLE ELEMENTARY

APRIL/MAY

DIBBLEPS.ORG

This year has flown by! We have so many activities in the next 26 school days (Right hand column) beginning with STATE TESTING April 2-19. Please make sure your children are at school, rested and have had a full breakfast. All of the students and teachers have worked so hard all year for this. Please encourage your children to do their best and not to be nervous. They have been taught these skills and I have no doubt they will do well.

Learning does not stop just because we finish testing. The students will continue to learn and be enriched by our staff that will carry . 6:30them through middle school and beyond.

Thank all of you for your kind and encouraging words to myself and the staff this year! We come to work everyday because we LOVE what we do!

Front Door Security

In an effort to add a layer of security to the elementary, we are in the process of installing a camera for the front door. Any visitor must push a button, staff will respond asking you to state the purpose for your visit and you will be buzzed in. Please be patient during this process and always remember, we want to keep your kiddos safe!
