## Dear Warrior Family

**Chris Reynolds**  
Washington Public Schools

I want to thank each of you for your support of our distance learning plan. Many worked very hard to make this come together in a meaningful way for our children.

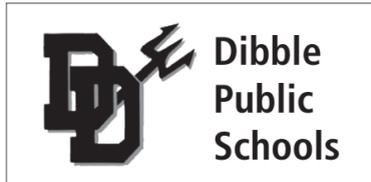

We have hit some bumps along the way, but I am proud of the resilience and grit I have observed over these final six weeks of the 2020 school year. As we close out the 2019-2020 school year, I want each of you to know that our commitment to support you and

your families will continue throughout the summer. Please visit our website [www.wps-isd](http://www.wps-isd) regularly for updates on district activities and events. Report Cards will be mailed home in early June. We are in the process of finalizing plans

for important end of year events such as Graduation and will be posting announcements on our website and on social media once plans are finalized. Grab and Go meals will continue through June 30th. If your family has a need we

strongly encourage participation. Each student will be provided five breakfast and lunch meals free of charge. I look forward to the day when our hallways are again filled with the sounds of students, staff, and parents greeting one another.

This day will come and when it does, we at Washington will be prepared to welcome everyone back. Until that time, take care of yourself and each other.  
**Best Wishes,**  
**Chris Reynolds**  
Superintendent

## Students, Parents, and Patrons

**Chad Clanton**  
Dibble Public Schools

Let me begin by thanking you for your effort, patience, and understanding as we finish this history-making section of "Distance Learning." We do not yet know for certain what the future holds, but we will take lessons we have learned from this experience and apply them going forward.

My hope is that we begin next school year with the excitement of a new beginning like none that we have experienced before. While we are not in the clear yet, I am optimistic that we will get to that point. I think we all agree that our school, town, and state need normalcy. Please note that we have solidified our graduation

ceremony plans. We plan to hold graduation on Saturday, May 30, 2020 at 11:00 am. It will be held at the football field. There will be additional information coming soon that will be specific to numbers of attendees as well as guidance as to how we will address the social distancing and safety aspects of the gathering. Naturally, any time you

host and outdoor event in late spring or summer there is a chance that the weather may not cooperate. In the event we have weather issues or COVID-19 issues we have a "make-up" date. The secondary date for the graduation will be Saturday, June 6, 2020 also at 11:00 a.m. at the same location. We have not yet totally cancelled Prom but are look-

ing for suitable options as the phases of become re-opening come into effect. Additional dates and processes for enrollment and summer activities will be coming out shortly. Much of what we are doing going forward will depend upon the degree in which the state re-opens. We will continue to look for ways to make these and any other activities hap-

pen with minimal personal contact. Lastly, let me wish you a happy and enjoyable summer. I will keep you updated on any changes via our mass notification system and our district website. Please feel free to call or email with anything.  
**Best Regards,**  
**Chad Clanton**  
Superintendent

## Dear Bulldog Reader

**Chad Hall**  
Lexington Public Schools

I have shared the reminders and updates with you thus far. I feel led to communicate to you more from the heart of

an educator this time around. While children and teenagers may be testing your patience at home, I cannot tell you how much I miss them. I miss seeing eager hands

raised as I walk through the buildings. I miss batters swinging for the fences and runners pushing their own limits. I miss celebrations, recognition of achievements,

and final performances. Thank you for the trust and investment you have made by allowing your student to be a Lexington Bulldog in the past, present, and future.

I feel confident in speaking for a dedicated faculty and staff in saying there is meaning and reward in seeing them develop. Thanks for sharing all of

the memory making with us. My hope is that we are back to that soon.  
**Sincerely,**  
**Chad Hall**  
Superintendent
