

DRESS CODE

The Dibble Public School dress code is the result of a cooperative effort with students, teachers, and administration to work toward a well-groomed, clean and pleasant student body. It is understandable that criteria be established to prohibit extreme styles and designs in clothing which might disrupt the education process or endanger the health and safety of students.

- Tank tops, muscle shirts, see-through blouses, or midriffs tops that do not cover the stomach, midsection, chest side, back, or shoulder will not be permitted. Students' back, midriff, and chest should be covered. Undergarments must be covered at all times.
- All garments worn below the waist must be **below the finger tips** when arms are down the by the student's side.
- Jeans, pants, and shorts with holes or rips are not allowed above the **fingertips** when arms are down by the student's side.
- Tights, leggings, or form fitting stretch material that are worn must be covered by a skirt, or shorts that are **below the finger tips or a shirt that comes below the buttocks and covers the buttocks at all times.**
- Clothing, headwear, jewelry, and/or other items must not bare logos, slogans, pictures or messages with derogatory or offensive ethnic, racial, sexual, gang, political, tobacco, alcohol, drugs, and or weapons.
- Hood of hoodies and caps will not be permitted to be worn in the classrooms.
- Chains worn by the students attached to the clothing, wallet, etc. or excessive chains around the neck are not allowed.
- Pajama style pants, tops, and shoes are not appropriate for school wear and will not be permitted.
- Jeans, pants, shorts, etc. must be worn above the hipbones at the natural waistline and are not allowed to sag. Undergarments must be covered at all times.
- Blankets are not allowed.

Clothing worn by the student is their responsibility. If at any time clothing breaks dress code, the student will be sent to the office and asked to change. If proper dress is not obtainable then the student will be sent to APP for the remainder of the day. If a student has multiple dress code violations, the principal may increase punishment.

This list is not intended to be a complete listing of all possible examples of inappropriate dress. The administration will make the final judgment as to the appropriateness of a student's attire. Teachers who believe a student's dress may be inappropriate should send the student to the principal's office. The decision of the principal will be final.
