

## Welcome from the Principal

Hello Dibble Elementary Families!

My name is Neal Johnson and I am very excited to be your new principal here at Dibble Elementary. It's going to be a super school year as our theme is "Dream Big! The Sky is Not the Limit!" We believe our kiddos can achieve anything!

I am a family man that has been married 26 year to my wife Amber. We have three beautiful daughters that mean everything to us. I am a product of Chickasha schools with degrees from Southwestern, UCO, and ECU. This is my 19th year as a principal and I have previously had very successful award winning schools in Moore, Mid-Del, and Oklahoma City. I love spending time with my family, anything mechanical, the outdoors and Martial Arts. I am currently about to earn my 4th degree blackbelt in Taekwondo.

At Dibble Elementary your child(ren) will be treated by our staff as if they were our very own. They will have a safe and positive environment that is both challenging and enriching. We will offer the best education anywhere. Your child will love school because we will make teaching and learning fun and engaging.

A safe and orderly environment are key to a successful school. Here at Dibble we will reward kids heavily for simply doing the right thing. Please read our new school-wide student behavior/motivation plan with your child. They will quickly see that being a hard working and well behaved student will pay off with exciting rewards and opportunities.

I look forward to serving you and your family as principal!
