SCHOOL SUPPLIES

Below is a list of basic educational school supplies provided by the Native American Programs. The list is based on the approved supply list from the school and subject to change from year to year.

Basic supplies will be handed out at the beginning of the school year. Once classes begin and students receive individual supply lists from their teachers, they may ask for any other necessary supplies. Please feel free to email sullivan@dibble.k12.ok.us or slack@dibble.k12.ok.us to request more supplies.

It will be the responsibility of the student and parent to keep up with the school supplies throughout the year. However, during the year, if the student is running low on a certain item, or needs a replacement item, we will be happy to help.
